RE: **Health Department to Hold H1N1 Media Conference**

The Genesee County Health Department will hold a media conference Monday, October 26, 2009, announcing clinic times and locations for Novel H1N1 influenza A (swine flu) vaccination. The conference will be held from 2:00 – 2:30 pm in the Library at the Health Department on the second floor of the McCree Courts and Human Services Building, 630 S. Saginaw Street, Flint, Michigan.

In addition to announcing clinic times and location, the Genesee County Health Department will clarify who is eligible to receive the vaccine. Vaccine will be provided only to high priority groups because the supply of vaccine remains small at this time. A second press release listing the priority groups who are eligible at this time to receive the novel H1N1 flu vaccine will be issued at the time of today's media conference.
