RE: **Health Department to Hold Novel H1N1 Flu Community Forum**

The Genesee County Health Department will hold a community forum Thursday, September 3, 2009, to answer questions from concerned citizens about novel H1N1 influenza A (formerly known as swine flu) and the pandemic it is currently causing. The forum will be held from 5:00 – 6:00 pm in the Regional Technology Center (RTC) Auditorium at Mott Community College, located at 1401 East Court Street, Flint, Michigan 48503. A special focus of the forum is keeping children and young people healthy as they return to school.

The forum is open to the public and free parking is available. The forum will begin with a presentation answering commonly asked questions about Novel H1N1. Questions from the public are welcome and will be answered after the presentation. Participants are advised to arrive before the presentation. Resources and fact sheets will be available at the forum.

For more information about this event, call the Genesee County Health Department at (810) 257-3612.
